## MOUNTAIN-PLAINS MUSEUMS ASSOCIATION

### RC-MPMA Membership Payment Form

The RC-MPMA is affiliated with the Mountain-Plains Museums Association (MPMA) and is a part of a national network of information exchange. You do not need to belong to MPMA to join RC-MPMA, although it is encouraged. The RC-MPMA is a Standing Professional Committee of the Mountain-Plains Museums Association.

The RC-MPMA relies on the support and involvement of its members to fulfill its goals of promoting high museum standards, advocating for collection and registration issues within the region, and providing opportunities for professional development. Without your participation, the Helping Hands Brigade and other programs would not be possible.
